

**REMARKS**

Claim 1 is amended to correct a typographical error inadvertently introduced by the Examiner's amendment. Thus, the abbreviation for indoleamine 2,3-dioxygenase in line 6 of claim 1 is corrected from "DO" to "IDO". The abbreviation IDO was used in claim 1 as originally filed and throughout the specification. Accordingly, no new matter is added by the amendment of the claims.

**CONCLUSION**

In view of the foregoing amendment and remarks, each of the claims remaining in the application is in condition for issuance. The Examiner is respectfully invited to telephone the undersigned at (336) 747-7541 to discuss any questions relating to the application.

Respectfully submitted,

Date: September 17, 2008
